

Albany High News Notes...

By Steve Kam

The successful field trip program of Albany High is in great jeopardy, reports Mr. Mike Hoffman, director of the activities, which sponsored trips last year to the San Francisco Stock Exchange, Oakland courts as well as other fascinating destinations. The \$13,000 grant for which he recently applied was denied, and the school is now re-applying. This year, the Board of Education voted some \$500 for the program.

The field trip program is an important and helpful way of instruction—we should find a way to make it a part of our regular curriculum," stated Mr. Carl O. AHS principal.

Meanwhile in other facets of education, the family life course AHS has taken on a revolutionary new look. Instructed this year by Mrs. Virginia Baum, the subject this year is more scientific and health oriented, as well as completely open.

Further plans of the course include a visit to a Bay Area hospital and hopefully guest speakers from various organizations.

AHS may soon join school systems around the country that utilize computers as a part of their social studies program. "Computers provide all the background data so that we can get as close to realization as possible," notes Mr. Al Morgan, director of the social studies department.

Only one real problem remains in placing this system as part of everyday learning... such a project would absorb between \$1000 to \$8,000 requiring a grant some sort.

Checkmate!

The AHS Chess Club is off and running—under the organization of Alex Whang and Art Turney. La Raza, the unified Chicano group at AHS, will award a \$100 scholarship to someone of no specific qualifications. Members of the club will judge student candidates for the scholarship.

The Board of Education has voted in favor of the proposed Martin Luther King holiday January 15 and to dismiss the student holiday at the end of the first semester.

Playing to two sell-out shows, "Charley's Aunt" won the Informer's, AHS's official newspaper, honor of "A Jolly Good Show" award. Starring David Leak and David Fox, the cast's performance of their English acted parts was tremendous.

And now for the sports scene—with fall sports at an end, Albany High fans have had their happy as well as sad moments. Of the combination of 25 games, only one was won (by freshman football, over Piedmont, 22-20), which was a very exciting finish.

The AHS cross country team took its third frosh-soph championship in a row, while football's Dan Patterson, Brad Drennan, Reggie Johnson and Jim Allen all won honorable mention for their outstanding performance this season.

And to close, surveys by the Informer indicate the desire by the female population of Albany High is to have girl sports, in virtually almost all categories.

And that's it for now, but stay tuned for next week.

ARC Youth Ask Toys For Needy

Do you have toys to share with needy children this Christmas? Jan Wilson, chairman of the Red Cross Youth Christmas Toy Drive at Albany High School, is asking Albany residents to help by donating new or easily repairable toys at various conveniently located locations, to make Christmas happier for Albany and Berkeley children from low income families.

Toys may be brought to the Albany High School main office weekdays through Monday, Dec. 18, or to any Berkeley secondary school. Collection barrels will also be located at McDonald's Hamburgers, 1198 San Pablo Avenue, and at the Berkeley-Albany Red Cross office, 2116 Allston Way, Berkeley, where toys will be received through Dec. 19.

Parents To Aid Senior Class Fund

Parents of the senior class at Albany High School are offering tickets for an award of five holiday food baskets as one of several money raising events for funds to give seniors a graduation all-night party.

Each holiday basket will contain a turkey, cranberry sauce, pie mixes, nuts and everything else necessary for a very special holiday dinner. Tickets are one dollar and may be purchased from any senior parent, or call Gerri Rimov, 524-9373; Joy Allen, 526-5269, or Claire Nausin, 526-0814.

THEIR "boots were made for walking," as Albany participants in the March of Dimes Walkathon, set for Sunday, Dec. 10, get set. Left to right are celebrity walker Stan Dunn of Radio Station K-101, Albany Intermediate School fifth grader Zari Kamalian, Mrs. Lorin Baum, March of Dimes Board of Directors member and former walker, fifth grader Ray Plant, and Harold Van Coops, Albany's March of Dimes chairman. Proceeds from the four-city event go to help the work of the National Foundation in discovery and treatment of birth defects. More sponsors and walkers are needed. Call 836-2267 if you can help.

Last Call For MOD Walk On Sunday

It's last call for sponsors and walkers in the March of Dimes Walkathon—Sunday, Dec. 10. Each supporter of the Walkathon event (in which last year Albany walkers raised approximately \$1000 for research in prevention of birth defects) is asked to pledge 10 cents, 25 cents, or \$1.00 for each mile his walker covers.

Adults, including Albany Mayor Joe Carlevaro, who walked last year, and Mrs. Ken Ridley of the Athletic Booster Club, will participate as well as Albany school children, according to Harold Van Coops, Albany chairman.

Mrs. Ridley will escort a group from the California School for the Blind to the starting point. Joe Cruz and his track team from Albany High School will be walking this year, according to Van Coops.

Starting between 8 and 10 a.m., participants will walk from Laney College in Oakland along a marked route to Solano and Per-

ALBANY POOL SCHEDULE

Albany Pool, now closed for repairs and cleanup, is scheduled to re-open January 8, 1973, subject to completion of major repair work.

Both youth and adult swim classes are scheduled Monday through Thursday. Youth classes meet from 6 to 6:30 p.m. (one half hour class with one half hour free time). Adult classes will meet from 6:30 to 8:30 p.m.

Note of Thanks

We would like to thank everyone who participated in our recent walk-away dinner. The success we experienced reflected the kindness of all who contributed so generously.

MacGREGOR SCHOOL PTA

alta in Albany and return by a different route to the starting point. Those needing bus transportation may take AC Transit No. 72 south to 40th and San Pablo, transferring to a No. 14 east to the college.

Can you walk—or sponsor a walker for this once-a-year effort? Call March of Dimes, 836-2267.

Chamber To Offer Prizes For Displays

Shop Albany First! To encourage Christmas shoppers to do their holiday shopping in Albany, the Albany Chamber of Commerce is providing three trophies plus additional Award Certificates for displays judged most effective. Winners will be announced in next week's edition of the Albany Times.

With the cooperation of the Albany Fire and Recreation Departments, the Chamber is also providing a lighted Christmas street display at San Pablo and Solano as well as a decorated tree near the city display at Key Route and Solano, the latter project in cooperation with the Albany Inter-Club Council.

"Shop and Buy in Albany this Christmas" is the motto for the promotion, according to the Albany Chamber Christmas Committee, which includes John Pleich, Eleanor Saniuk and Art Brickey, with William Garren as chairman.

Albany Chamber members will host an open house on Dec. 14 at 1108 Solano Avenue from 5 to 7 p.m. in lieu of the regular monthly meeting of the Board of Directors.

High Rise Buildings Must Meet State Standards, Says Council

Moving efficiently through an agenda crowded with 13 communications from individuals and groups, Albany City Councilmen wound up last Monday's meeting with an assurance to a concerned citizen, Dario Meniketti appearing before them, that future high rise building in Albany, will be "required to meet all State of California fire standards." (See Mr. Meniketti's letter, Mail Bag, today's Albany Times.) Councilman Howell further suggested that Mr. Meniketti meet with Fire Department officers who, he said, are studying the problem also with the San Francisco Fire Department. Howell expressed himself as "amazed that a building that size did not have sprinklers and staircases." Councilman Call noted that "fire retardant carpeting and drapes should solve the problem." Councilman Hein further commented that "though high rise buildings aren't necessarily 'fire traps,' conventional fire fighting methods just don't do the job."

Other Matters

Earlier, councilmen queried Administrative Officer James B. Turner concerning a letter from Joseph P. Bort, vice chairman,

Board of Supervisors, Alameda County, regarding the Mayor's formula allocation, learning that the letter is essentially a notification and transmittal concerning Martin Avenue resurfacing to be done this winter.

Mayor Carlevaro also referred to the City's Administrative Officer a letter from the Preserve Area Ridgeland Committee, re-

garding open space and park land through the hills east of San Francisco Bay from Richmond to Calaveras Reservoir and extending from Sunol to Del Valle Recreation Area, with a suggestion of the possibility of using BART right-of-way for their purposes.

No Change

In hearing other matters Mayor Carlevaro reminded councilmen, upon hearing a letter from Jo Ann Wray, president of the California State Employees Association regarding a proposed transfer of public health employees from Berkeley, to Sacramento, that the council some years ago had opposed the move. Councilmen apparently have not changed that position, Councilman Call commenting that such a move "just means more burden on the taxpayers, more people on welfare rolls and unemployment." Councilman Howell said further that such a move would be a "slap in the face to everyone in Berkeley and Albany" (and earned a rare clap of applause from an audience member).

Board of Education

Two communications from Kenneth M. Forry, Superintendent of Albany Unified School District, one requesting a reply from the Council to a previous letter in which the Board wanted to know the "extent to which Interstate Corporation has given attention to the Board of Education" (on school attendance figures) and one regarding Cedar Field, were referred to the City Administrative Officer and the City Attorney.

Upon reading of a letter from John Ford, president, Albany Peace Officers Association, concerning the Association's preference for Plymouths over Ford patrol cars (see Mail Bag, today's Albany Times), councilmen expressed some impatience, Councilman Hein remarking that "with the same specifications for safety, the Fords were \$9.60 less so why should we change?" He pointed out that San Francisco and Oakland police departments have also indicated preference for Ford patrol cars. The letter was filed.

Letters

Replying to a letter from William Johnson, chairman of the Planning and Zoning Commission, regarding Variance No. 111, 1113 Stannage Ave., affecting side yard and garage, councilmen set January 2 for a public hearing on the matter.

Another communication from Mr. and Mrs. Gary Katz, 611 Elm Street, El Cerrito, in protest to a use permit for Interstate's proposed development of Albany Hill was filed without comment, and another communication, from Fred Patton, 735 Peralta Ave., Berkeley, concerning other matters, was filed as unreadable.

Park Appointee

In personnel matters, Councilman Call announced a vacancy on the Park and Recreation Board and his choice of Peter Turturici, 1018 Ramona Ave., Albany, to fill it. Mr. Turturici was introduced from the audience.

Petition By Friends Of Albany Hill

A referendum petition on the rezoning of Interstate General's land, making possible the granting of a use permit by the City Council for the construction of 2,500 units of high rise apartments, is being circulated today by Friends of Albany Hill citizen group.

According to Mrs. Catherine Webb, 843 Washington St., Albany, chairman of the group, the referendum is being circulated to "give the people of Albany an opportunity to seek modifications of the project."

A class action suit, filed in Alameda County Superior Court Friday, seeks to block the use permit granted by City Council, and names as defendants the Albany City Council and the Interstate General Development, Inc.

Free Seminar Set Dec. 10

A Human Rights Conference, jointly sponsored by the Baha'i Communities of Albany, El Cerrito and Richmond will be held Sunday, Dec. 10, at the East Shore Park Recreation Center, S. 47th Street, Richmond. The conference will include seminars on Women's Rights, Minority Rights, Education and Employment. Registration begins at 9 a.m. Admission is free and all are invited. At lunch, to be provided without charge, a Human Rights Award will be presented to a member of the community who has distinguished himself in that field.

Albany members of the Baha'i Community involved in planning Sunday's event are Kathy Cowden, Monireh Lanzaro and Cathy Collins.

LIBRARY FILM SERIES

Meet your neighbors at the movies, say Albany Library sponsors of the new "Wednesday Night at the Movies" series, shown each Wednesday at 7 p.m. and planned for all age groups. Tonight's films are "Cosmic Zoom," "People Soup" and "African Animals." For more information call the library, 526-3720.

"Pops" Concert Is Set By Youth Orchestra

The Oakland Symphony Youth Orchestra, now in its ninth season, and recently named among the world's 10 most outstanding youth orchestras, will present a family "pops" concert Sunday, Dec. 10, at 2:30 p.m. in the Berkeley Community Theater.

The Family Service Agencies of Berkeley and Central Alameda County are co-sponsors of the "Pops" concert for which tickets at \$3 for adults, \$1.50 for students, and \$25 for patrons (which includes six adult or 10 student admissions), will be sold at the door.

The Youth Orchestra, conducted by Dr. Denis M. deCoteau, is composed of 65 musicians of high school age or younger, chosen by audition from throughout the Bay Area. Gloria Lum of Albany will be playing cello in the concert, and David Lyon, the poster put around town advertising the concert.

The Mail Bag

(The views expressed in the following letters are those of the individual writers, and do not reflect, in any way, those of this newspaper.)

Editor, The Times:

In view of the two tragic high rise fires of recent date in New Orleans and Atlanta, it is imperative to ask if the City Council has inadvertently licensed the Interstate General Corporation to build a complex of high rise death traps!

The heavy toll of lives resulting from the fires has suddenly caused experts and the public to speak out on the problem of safety in high rise buildings. Now we learn that in case of fire, elevators don't work. Not only that—the elevator shaft itself causes fire to spread, through the chimney effect or the sucking up of heat and smoke. Furthermore, stairwells don't help if they are blocked by fire or smoke.

We discovered that in New Orleans, the fire department was not equipped to reach the victims on the 16th floor. Can you imagine such fire fighting inadequacy in a leading American city in this

day and age!

Here is what was said by Richard E. Bland, chairman of President Nixon's National Commission on Fire Prevention: "There is no reliable way to fight high-rise fires without having at least the aid of an automatic extinguishing system within the building." Commenting on the New Orleans fire, Mr. Bland said: "You cannot expect the mobile fire services to be able to do much about such fires." A New Orleans official said that there would not have been any loss of life in either fire had automatic sprinkler systems been installed.

San Francisco requires the installation of a sprinkler system. Why did our City Council not require Interstate General to install sprinklers throughout their proposed apartment complex? I can recall that Interstate General will provide a sprinkler system

for their garage only.

What does San Francisco know that we don't know? Is Albany less vulnerable to fires? Are lives worth less in Albany?

One of the first obligations of a city council is the safety of its citizens. In the interest of saving human lives the City Council must urgently consider the adoption of an up-to-date building code which provides the greatest possible public safety. The City Council should, thereby, rescind the building permit to Interstate General until an automatic sprinkler system requirement is written in our building code and Interstate General complies accordingly.

I thank God that there is still time for Albany to prevent a possible future holocaust!

Let us cherish human life and let us learn from the mistakes of others.

The public safety must take precedence over expediency!

Sincerely yours,
DARIO MENIKETTI

Editor, The Times:

This letter is being written on behalf of all members of the Albany Police Dept. to voice our protest of the rejection of the recommendation by the Chief regarding the new patrol cars.

"There's No Substitute for Know-How!"

In recommending the Plymouths arranged to have a test vehicle from Ford and Plymouth. These vehicles were driven by all members of the Department, with the exception of the women. It was unanimous that the Plymouth accelerated, handled, cornered, and braked far better than the Ford. It was also noted that it was impossible to see the rear end of the Fords, regardless how high the officer sat up in the seat. This in itself is an obvious backing hazard. It is based on these facts that the Chief recommended the Plymouths. It is felt that if there was \$100.00 difference in price the Plymouth would still be a better car for the money.

We feel that when buying a car a person must compare the quality, performance, and dependability of a car along with the price and then reach a decision on which is more for the money. When the safety of our officers and people of the city depend on the performance of these vehicles we feel that the \$90.00 difference in price is well within reason. It has also been noted that the upkeep on the Fords has been more costly than on the Plymouths. This alone will more than pay the difference in the first year.

We as a whole respectfully request that you reconsider your decision to purchase the Fords over the Plymouths. We urge

this recommendation for the safety of our patrol officers and the people of this city who are buying these cars.

Respectfully submitted,
JOHN T. FORD
President Albany
Peace Officers Assoc.

Editor, The Times:

In reading the edition of the Albany Times, Wednesday, Nov. 29, an article appeared in which Herb Rubin read a surprise letter to the Council, saying he gave his qualified support to the development of Albany Hill by Interstate General Corporation, subject to four provisions.

I am referring specifically to proviso number three (3). Is Herb Rubin, by any stretch of the imagination suggesting confiscation of property? If confiscation is what he is suggesting let me remind him that these private property owners still pay taxes on their property. If he is suggesting confiscation has he told you how much it will cost you, the TAXPAYER, for the maintenance of this property if taken off the tax rolls?

You may be saying to yourself this does not concern me, it is on Albany Hill, but remember, if it can happen to property owners there, it can also happen to any one of you, anywhere you may own property in the City.

I would like to ask all property owners in the City of Albany to concentrate for just a moment and answer this question. How would you like to have your property confiscated, and be paid

no more, maybe even less, than you paid for it?

In closing I would like to remind Herb Rubin that this is America, and thank God, we still operate under the American system of government, and under this system a property owner still has the right to sell his or her property for a profit.

Sincerely yours,
MRS. JEAN RUTHERFORD
1266 Portland Ave., Albany

ALBANY POST 292

presents

THE VETERAN'S CORNER

by Chas. Lindh

The care and rehabilitation of our sick and disabled war veterans has always been the prime concern of the American Legion and other veteran organizations. It was strongly expressed by the delegates to the first American Legion convention which met in Minneapolis in 1919. Out of this concern came the development of the comprehensive network of rehabilitation services extending into virtually every city and town in the United States. The American Legion Rehabilitation Commission was formed with headquarters in Washington, D.C. Every Legion department was requested to appoint Department Service Officers, each Post was required to have a Service Officer and a Rehabilitation Committee to take care of rehabilitation service within their Post. The Post Service Officer workers with the De-

partment Service Officer handling claims, etc. He also contacts V.A. hospitals if hospitalization is required. Widows pension claims are also processed by him. In other words, anything concerning the Veterans Administration should go through him. Please remember that the American Legion must have a power of attorney signed by you in order to present any claim you may have which requires appearance before the V.A.

The present setup did not come about overnight. It took years of hard work to accomplish it. The National Rehabilitation Commission is also charged with carrying the program forward and to look for ways to improve it. It also guards against erosion of benefits and deterioration and dismemberment of the Veterans Administration.

This Christmas TRY ALBANY FIRST

Albany business people are competing among themselves for the window and store front display judged to be the most effective in promoting the Holidays.

Shop Solano and San Pablo Avenues, then tell the Albany Chamber of Commerce, at 525-1771, your choice for 1st, 2nd & 3rd winners.

NOTICE OF TRUSTEE SALE
 Loan 21280
 On Thursday, the 28th day of December, 1972, at the hour of 10:30 o'clock A.M., of said day, at 1988 Mountain Boulevard, Oakland, County of Alameda, State of California, Northern Auxiliary Corporation, as trustee, will sell at public auction, to the highest bidder, for cash, in lawful money of the United States, all payable at the time of sale, the following described real property, situated in the City of Albany, County of Alameda, State of California, and described as follows, to-wit:
 COMMENCING at a point on the easterly line of Stannage Avenue, distant thereon 233 feet, 4 inches northerly from the point of intersection thereof with the northerly line of Dartmouth Street, as said avenue and street are shown on the map hereinafter referred to; running thence northerly along said line of Stannage Avenue 33 feet, 4 inches; thence easterly and parallel with said line of Dartmouth Street, 100 feet; thence southerly and parallel with said line of Stannage Avenue 33 feet 4 inches; and thence westerly and parallel with said line of Dartmouth Street 100 feet to the point of commencement.
 Being the northerly 16 feet, 8 inches of Lot 31 and the southerly 16 feet, 8 inches of Lot 30 in Block 10, as said lots and block are shown upon that certain map entitled, "Map No. 4, Regents Park, Oakland Township, Alameda Co.," filed August 27, 1906 in Book 21 of Maps at page 51, in the office of the County Recorder of Alameda County, State of California.
 Being Assessor's Arb No. 65-2658-39.
 Property believed to be located at: 1057 Stannage Avenue, Albany, California.
 Said sale will be made without

covenant or warranty regarding title, possession or encumbrances to satisfy the obligation secured by and pursuant to the power of sale conferred in a certain deed of trust executed by MORRIS SHAYERS and ODESSA SHAYERS, his wife, trustee, to Northern Auxiliary Corporation as trustee, for the benefit and security of California Savings & Loan Company, dated November 24, 1964 and recorded December 4, 1964, in the office of the County Recorder of the County of Alameda, State of California, in RE: 1382 of Official Records at IM: 726.
 Dated November 13, 1972.
